Dalynne Julmiste  
Administrative Officer  
AOML

## ABOUT DALYNNE JULMISTE

Administrative Officer, Dalynne Julmiste, is an accomplished professional with experience spanning across various Federal agencies, private sector and the U.S. Military. Born in Cap Haitian, Haiti, Dalynne immigrated to Miami, FL in 1980 where she lived before joining the U.S. Navy where she served for eight years. Her career began in the Navy as an Aviation Storekeeper in July of 1995. While in the Navy, she received a degree in Management Information Systems. Upon separating from the Navy, Dalynne received a second degree in Hospitality Management in 2003.

Following a successful completion of eight military service years, Dalynne worked in the private sector in financial services. In 2009, Dalynne completed her MBA and began her career in the Federal government with the Department of Veteran's Affairs. She was the Staff Assistant to Nursing Service, which employed a staff of 800. In 2012, she transferred to the US Department of Agriculture as the Administrative Officer.

On April 7, 2014, Dalynne joined AOML as the Administrative Officer. She applied her experience, knowledge and credentials to bring organizational prestige. Within two years, Dalynne transformed her administrative team, embarked on a 400 thousand dollar renovation project and received a group Department of Commerce Silver Medal for her work on an energy efficiency project. She continues to sharpen the proverbial saw as a student at St. Thomas University working to complete her Doctorate degree in Leadership and Innovation. Dalynne enjoys raising her son and staying active in the community.
